MOBILE STEREO HEADSET

MOBILE STEREO HEADSET

for music phones

The Rivet Mobile Stereo Headset combines premium stereo earphones with an in-line microphone to provide users with superior sound quality and voice clarity. The adjustable lanyard lets you talk on the phone or listen to your music without extra cords getting in the way. And with tangle-free storage, they'll be ready for the next use, hassle-free.

Unique Lanyard Wearing Style

A better way to wear your headset

The Lanyard Style

- Hangs comfortably from neck
- Won't tug on ears
- Adjusts cord to perfect length
- Keeps earbuds handy when not in use
- Prevents cords from tangling

Slide Adjuster
transforms earphones
into a lanyard

Packaging

Specifications:

- Sensitivity: 103dB SPL/mW, 1kHz
- Frequency response: 20Hz - 20kHz
- Impedance: 17 ohms nominal
- Speakers: 10mm Mylar
- Microphone: Omni-directional
